WHAT WOULD THEY HAVE ME LEAVE OUT?"**

BUDGET

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

“What would they have me cut? What would they have me leave out?”

We are glad you asked, Mr. President.

Billion Dollar Blunder

\$1.1 billion in Child Tax Credit payments were sent to the wrong people last year under the Democrats’ American Rescue Plan which removed work requirements and turned it into a monthly payment:

“The [incorrect payments](#) were made to recipients whose dependent children, required to claim the credit, did not meet the age requirements (i.e., under 18 years old), were deceased, or had been claimed on another filer’s return.”

One more strike for the IRS – the agency Democrats just gave \$80 billion to but earmarked only 4% of that funding to actually fixing the IRS’ basic problems. Instead, Democrats voted to hire [87,000 new IRS agents to target working-class Americans](#) with more audits, other enforcement measures, and higher taxes.

Stay tuned for more.
